

## Instruction Manual for Universal Right Handle Bracket (for use with 25200)

PN#25214

### FOREWORD

Thank you for your purchase of a NAUTICAM product.

At NAUTICAM, we pride ourselves in the ability to recognize the requirements of professional as well as amateur underwater photographers and fulfill them through the innovative designs of our products. We strive to achieve a high level of user-friendliness by allowing stress-free installation and easy operation of all important functions of the camera.

Please read this manual carefully before using the product, this will maximize its performance as well as its lifetime.

### WARRANTY

All NAUTICAM Products are warranted against any material and manufacturing defects for two years from the date of purchase for consumer use. This warranty only applies to products purchased from authorized NAUTICAM dealers and does not extend beyond the original retail purchaser.

To return your product for service, please contact your regional authorized service center(s). Please note that this warranty only applies when the product is purchased in the territory where the service center is located.

NAUTICAM does not hold responsibility for damage, of any nature, to any equipment used with and/or placed within our products.

NAUTICAM accepts no liability for any loss of captured images or the inability to capture images even if it is due to the malfunctioning of our products.

Unauthorized modifications and/or repairs of our products will automatically invalidate the warranty.

### IDENTIFICATION OF PARTS

### INSTALL THE UNIVERSAL RIGHT HANDLE BRACKETS

The universal right handle bracket is supplied for the housing to use with Shutter Release Extension (#25200), providing easy shutter release access from the handle grip for users. Right handle (#71208) and strobe mounting balls (#71311) are required.

Attach the universal right handle bracket to the strobe mounting ball as shown.

Align it to the threaded holes of #71311, and tighten by two thumb screws provided.

### MOUNT THE SHUTTER RELEASE EXTENSION

Mount the shutter release extension onto the universal right handle bracket as shown, and tighten it by the two thumb screws provided.

Adjust the position of the handle if needed.
